**2025**

## MESSAGE FROM THE **SENIOR PASTOR**

Dear CCF family and friends,

Greetings in the wonderful name of our Lord and Savior Jesus Christ!

My wife Deonna and I, along with the CCF elders and pastors, joyfully welcome you to this year's IDC, "Love and Truth: Inseparable." It is such a privilege to gather once again as a spiritual family, united by our shared desire to grow deeper in our understanding of God's Word and His will for our lives.

Jesus modeled the perfect union of love and truth. John 1:14 tells us that Jesus came "full of grace and truth." Through His life and ministry, He showed us what it means to love truthfully and speak truth lovingly. As His followers, we are called to walk in His footsteps, living out these two inseparable values. They are not just complementary—they are two sides of the same coin.

True leadership and discipleship reflect this balance: standing firm on God's truth while reaching out with Christ-like love. As we hear from our speakers and reflect on God's Word, may we be challenged to lovingly declare the truth and truthfully demonstrate love.

Together, let us seek to be a church that reflects the heart of Christ—one that upholds His truth with courage and extends His love with compassion.

To Him be all the glory, honor, and praise,

**Dr. Peter Tan-chi**  
CCF Founder and Senior Pastor

# WORKSHOPS

# 01

## *CHRIST-LIKE FAMILY:* **ROOTED IN LOVE, ESTABLISHED IN TRUTH**

*Ptr. Edric Mendoza, Ptr. Erick Totañes,  
Ms. Joy Tan-Chi Mendoza, and guests*

Parents should take full responsibility for their children's upbringing, instilling the Biblical worldview in the face of worldly influences, and societal norms. What truths then should we teach our children to counter the influence of secular social media, some schools and society? As the family is under spiritual attack, husbands should provide spiritual leadership. The youth and singles can disciple siblings, cousins, and relatives. This workshop will offer practical ideas on how to make Every Family a Discipleship group (EFAD).

# 02

## **DEVELOPING LEADERS THAT MULTIPLY**

*Ptr. Nett Gochuico, Ptr. Marty Ocaya, Ptr. Paul de Vera,  
Ptr. Aumar Aguilar, Paul Tan-Chi, and guests*

In this workshop, participants will receive guidance on how to be intentional in the discovery, development, and deployment of potential leaders in their Dgroups. You'll get a chance to meet the multipliers as you will hear examples of Dleaders with multiple generations of disciples. Panelists will also give a picture that future leaders need to be prepared for.

## 03

**HOME FELLOWSHIPS:  
CHURCH BEYOND WALLS**

*Ptr. Jim Whelchel, Ptr. Eddie Robles,  
Ptr. Albit Rodriguez, Ptr. Fred Montelibano,  
and guests*

"Home fellowships" is one of the new "big rocks" of the CCF movement for 2025. This workshop will give a big-picture overview of the potential impact of home fellowships on reaching the entire Philippines and the world. The panelists will also address preconceived notions about home fellowships and give a clear call for action for the participants.

## 04

**EVANGELISM:  
REACHING GEN Z AND  
THE MARKETPLACE**

*Peter Tan-Chi Jr., Ptr. Vince Moral,  
Ms. Deonna Tan-Chi, Ptr. Alvin Lagamon,  
Anton Villa-Real, and guests*

How do we effectively share the gospel to the Gen Z's? How do we make the gospel relatable and relevant in the marketplace? This workshop will focus on developing the heart of an evangelist. You will learn how to contextualize and adjust to the different generations' level of responsiveness as you evangelize. Panelists will give some of their unique approaches to reaching today's youth and the marketplace with the love and truth of the gospel.

# CONFRONTING THE CRISIS IN CHURCH

This message builds a theological basis for the necessity for truth and love to be inseparable and answers the question "how do we tackle this issue of living and speaking the truth in love in a cultural environment that is redefined both truth and love to mean whatever everyone feels and whatever someone happens to believe."

The central New Testament command is Ephesians 4:15 and the context of Ephesians 4 will be developed to provide understanding and application for how this must happen in our doctrine as well as our relationships.

*Chip* **INGRAM**

# CULTIVATING A CULTURE OF ADMONITION

The sermon "Cultivating a Culture of Admonition" explores how a Christ-centered community grows through loving correction, based on Colossians 1:28. Admonition, meaning to warn, counsel, or correct, is essential for discipleship, safeguarding leadership and accountability within the church. It is not about harsh criticism or personal preferences but aligning lives with God's Word. By committing to God's Word, fostering wisdom-based discipleship, and creating a safe environment for truth-telling, the church can cultivate a culture where people are lovingly corrected and restored to maturity in Christ.

*Rev. Paul* **JEYACHANDRAN**

# TRUE LOVE NEVER FAILS

In 2024, 52 out of every 100 googled questions were "how" ones - with "How many days until Christmas?" coming in at number 5. A further 25 out of every 100 were "What" questions - such as "What time is it?" The rest consisted of When, Where and Who questions. One category of questions however was completely missing from the analysis - "Why" questions. Why am I here? Why do I feel empty? Why do these kinds of things happen to me? Many times we ask these questions with God in the equation. If there is a loving God, why doesn't He do this? Or stop that? Or allow this?

# HOW TO SPEAK THE TRUTH IN LOVE

This message will address The biblical command to admonish one another; which is the practice of Speaking, the truth in love when there's a problem, whether it be doctrine, relational, or behavioral. This message will clarify what admonishing is not, and why we must obey this command for the health of the body and ourselves. It will provide specific application as to why it's difficult for us to do this and how to specifically do this in our relationships in the church, small groups, and family relationships.

The notes will provide a much fuller picture and feel free to use anything in the notes or a modification of anything above for your communication.

# REAL LOVE NEVER GIVES UP

It is one thing to mend a broken leg, it is quite another to fix a broken heart. We often experience our world, our lives and even our own families as broken. How do we make sense of this? Where is God in all of this? Hosea is sometimes known as the prophet of the broken heart. What secrets were revealed to Hosea in his own life and how do they help us today?

# LEADING WITH MORAL AUTHORITY

This sermon, *Leading with Moral Authority*, rooted in Titus 3:1-11, explores the foundation of leadership built on character rather than competence emphasizing credibility earned through consistency is far more important than any credentials, titles or positions. Drawing from Apostle Paul's counsel to Titus, it addresses the challenges of leading with integrity in a morally compromised context, like Crete, and underscores the importance of aligning one's life with gospel truths. The sermon highlights how moral authority begins with submission, is strengthened by self-control, and is fulfilled through service, offering practical steps for leaders to reflect God's character in their personal and public lives.
